Marisco recognises it is sensible to equip every worker it employs in the field with a basic personal First Aid Kit. This should include a range of dressings and plasters and a safety scissors, together with an eye-wash kit.

The purpose of this form is to allow staff to request a replacement kit, or to restock items that have either been used or need to be replaced because their use-by date has passed.

Should employment end, the employee must return their first aid kit entered into his or her inventory.

It is the responsibility of each employee to maintain their first aid kit we provide and ensure they ask for training are ensure how to use it properly. We will pay for any employee who asks to attend a first aid course.

By signing this request, you confirm you have received adequate training to use the First Aid kit provided. Basic First Aid procedures recommended by the NHS are available to be read on the Company's website.
